DEDICATION

LANA JACKSON

The Senior Class proudly dedicates this year's annual to Lana Jackson. She has been teaching at Lowes for eight years and has been assistant girls basketball coach for three years. During this time she has been greatly respected for all her dedication to our school and all our school activities. She has freely given her time and effort with enthusiasm. She has been both an understanding teacher, and a friend to us. This is our way of showing our appreciation to her.

Charles Ford — Principal

The most solid comfort one can fall back upon is the thought that the business of one's life is to help in some small way to reduce the sum of ignorance, degradation, and misery on the face of this beautiful earth. If we would do all of the things we are capable of doing, we would literally astound ourselves.

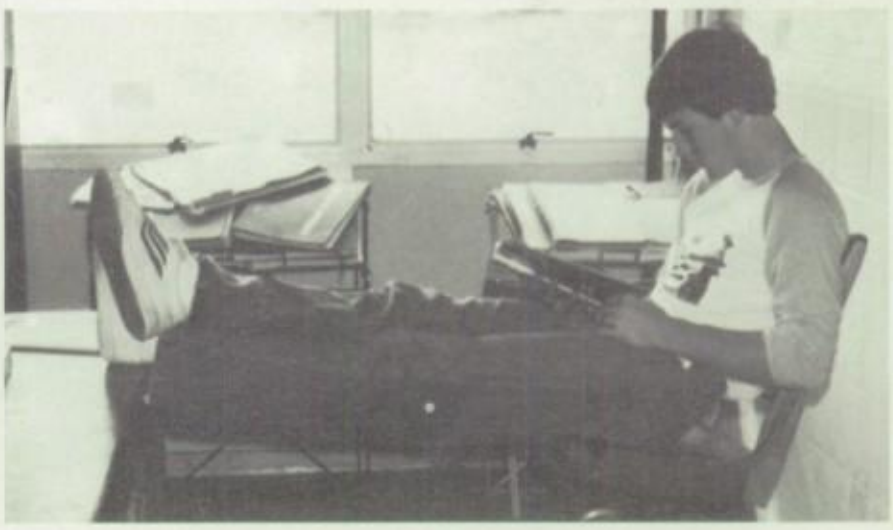
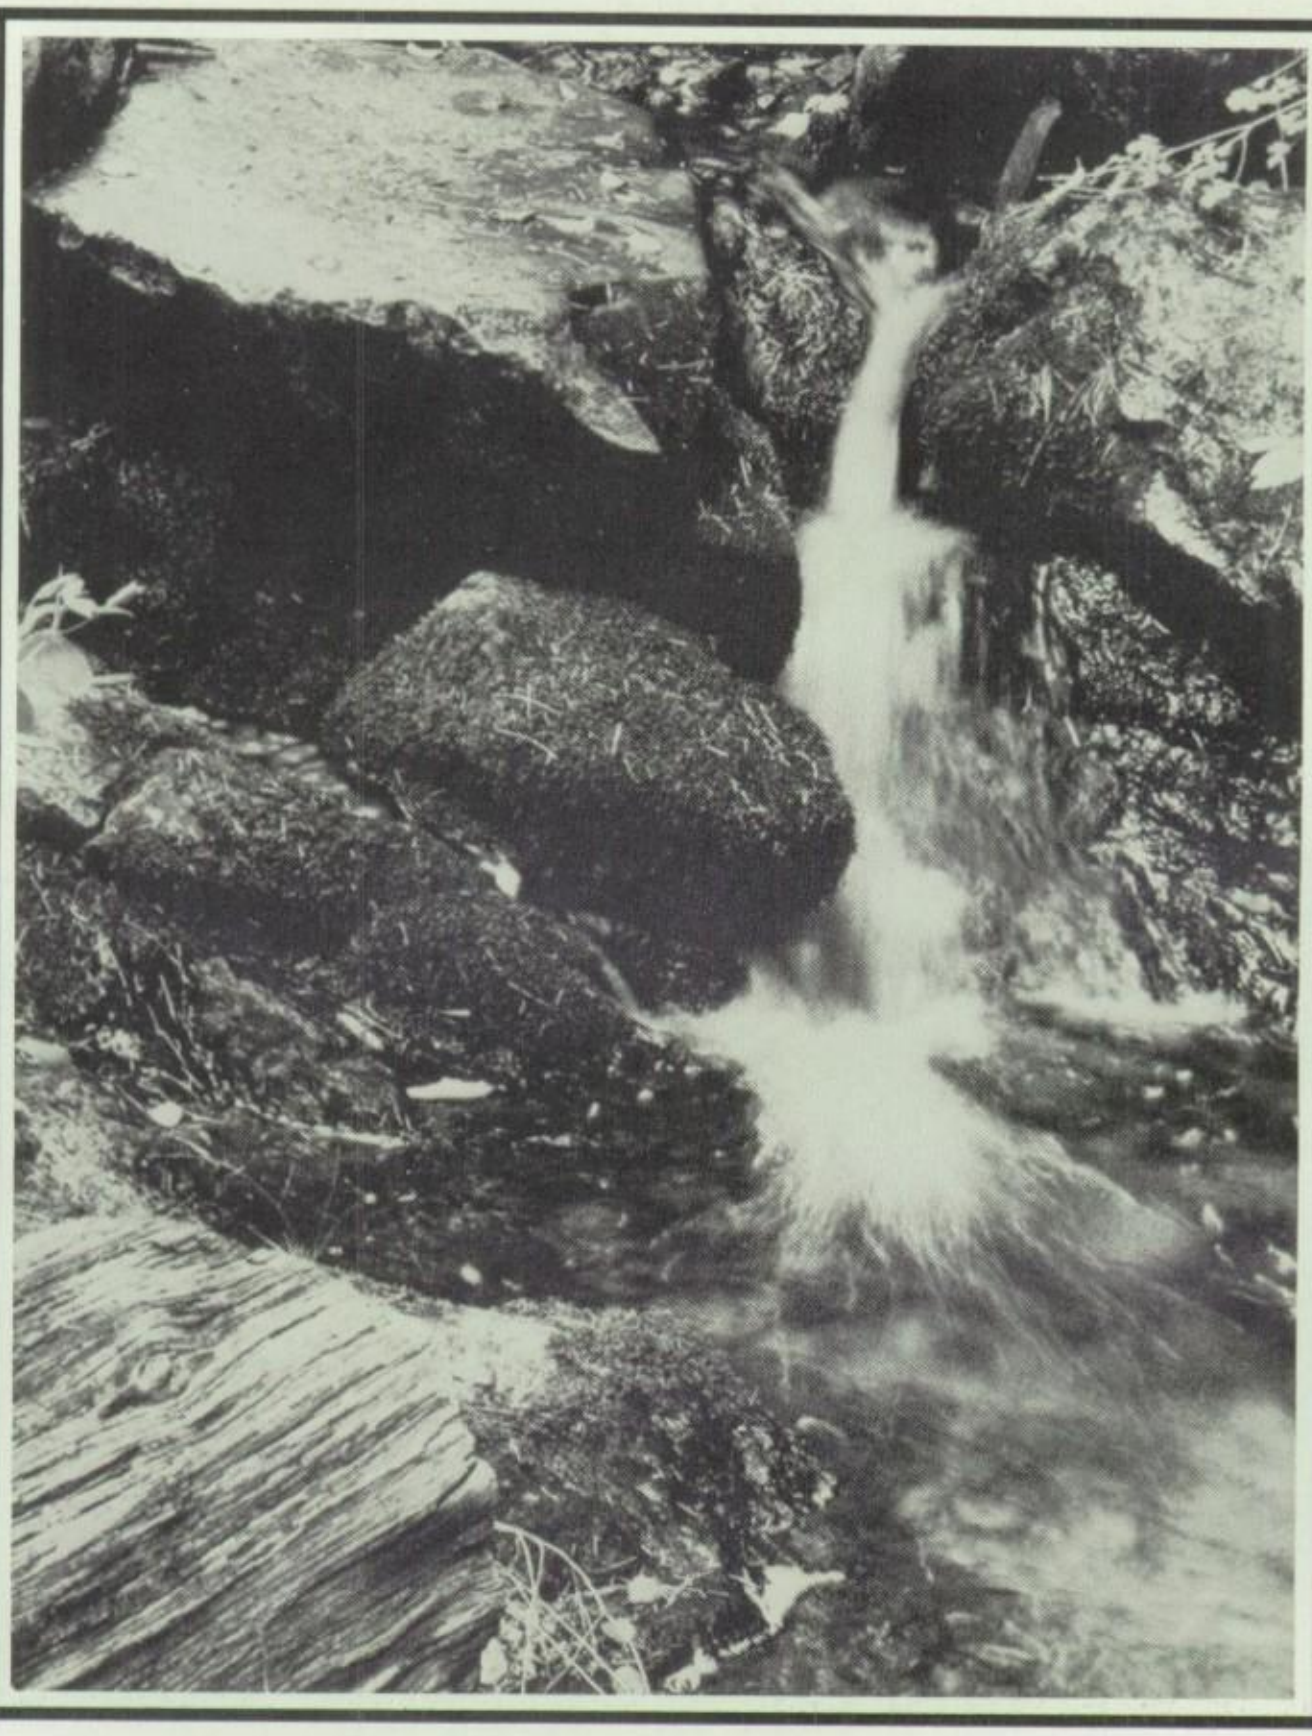
SENIOR YEAR: RING DINNER, INVITATIONS,

CASUALS, PROM, CAPS & GOWNS, GRADUATION . . .





THE FINAL DAYS OF A SENIOR

The warm spring breeze hits our faces as we walk into our school these last few days. In the air there's a great feeling of excitement as we prepare for our big night — graduation. This is really it. The departure time has approached for the class of 1981.

Mixed emotions flow through our hearts as we realize it is now our time to say good-bye. The reality of graduation has not really hit us yet, although each day we prepare more and more for it. Every serious thought and important decision in our minds, we have tucked away, so that we can enjoy these last few days of being seniors — together.

The feelings that most of us are sharing are the many great times we have had together over these past twelve years. Each of us have had special friends that we grew to trust as the years went by. Friends that have always been close at hand and willing to help us in any way. Especially now, we realize that we have not only grown to love these friends but our school as well. Because we know that getting our education was only one part of all the things we have learned and shared together through these years.

The warm spring breeze hits our faces again as we walk out of our school. One more day of graduation practice, of carefree thoughts and happy memories. One more day of being a senior.

Gina,
You're a very sweet person
who would do anything in
the world for me & almost
anything in my chemistry
friendship. I hope we can
continue being friends next
year and forever. Remember
all the fun we've all had and
all happiness you will receive
